

Dual Pro

(Black & Black)

aircharge®

www.aircharge.one

Product Description

The Dual Pro is perfect for any office environment. In addition to fast wireless charging the Dual Pro unit has two USB ports for plug and play and you can also power a **USB-C compatible device via its USB-C port**. Mounts onto any finished surface. Aluminium base secures to the surface using 3M tape, a non-drill solution. The Dual Pro unit fits into standard 80mm grommet hole. USB power cable allows multiple units to be connected to hub.

Qi-certified:
Supports all Qi-certified devices and accessories
